SCHOOL OF ARTS AND CRAFTS

Medium: Fibers

Instructor: Sasha Baskin

Dates: June 1-6, 2025

## COURSE DESCRIPTION

In this workshop, students will learn the basics of bobbin lace, a beautifully intricate medium of interlocked threads supported by pinning under tension. Finish the pattern, cut the threads, remove the pins, and the lace stands alone! Beginning with the simple pattern of cross and twist, students will begin with larger threads and simple patterns and progress to smaller intricate compositions throughout the week. Working at their own pace in a "choose-your-own-adventure" style, students will find their own voice and approach to this ancient and beautiful medium. Open to all levels!
