Medium: Ceramics

Instructor: Justin Rothshank

Dates: June 1-6, 2025

## COURSE DESCRIPTION

This workshop will cover a variety of making techniques including wheel throwing, slab building, coil building, and extruding parts for use in vessel making. This workshop will also cover surface preparation for soda firing including slips, underglazes, underglaze crayons, stamping, staining, washes, and decal application; firing temperatures and clay bodies for use in the soda kiln; and finishing work including cold working, refiring, cleaning post fired surfaces, repairing flaws from atmospheric disturbances, and adding decals. Students in this workshop will make work for firing to approximately cone 3 in a soda kiln.

## WHAT TO BRING

- Throwing/Handbuilding Tools
- Underglazes (optional)
- Sharpie Marker
- Scissors
- decals (optional)
- underglaze transfers (optional)
- Flash drive (to protect and save data to and from Library computers)

**Planning to purchase materials from the Supply Store for your workshop?** Keep in mind that the Supply Store carries a limited selection and cannot guarantee that all materials listed by your instructor will be in stock. Please call **865-436-5860 Ext. 25** or email Celeste Rudd at **crudd@arrowmont.org** to reserve your selection prior to arrival.

## MATERIALS FEES | **\$150.00-\$225.00**

Fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class, this keeps your out-of-pocket costs lower than a typical flat fee. Fees include all provided studio materials as assigned by the Instructor. Material fees are to be paid in the Supply Store no later than midday on the last day of workshop instruction.

**Please be advised that the above course description and materials list has been written and approved by the instructor.**
