

# ARROWMONT

SCHOOL OF ARTS AND CRAFTS

Medium: Woodworking

Instructor: Michael Cullen

Dates: June 15-20, 2025

## COURSE DESCRIPTION

This highly creative workshop will explore ideas in box making that go beyond the typical six-sided container. Emphasis will be on shaping and sculpting boxes to create pleasing curves, unusual shapes, and just about anything fun and zany. A primary focus will be on creating patterns and textures and applying color to the surfaces of the boxes. Students will design and build two to three small boxes using different designs and construction for each box. Using different approaches and forms that a box and vessel form can take, students will use carving tools, chisels, files and rasps, and some machinery. Be prepared to veer off the path into creative territory. This workshop is perfect for beginners and good for the expert who is looking to create something new and fresh.

## WHAT TO BRING

- Eye and Ear protection if you have some
- Flash drive (to protect and save data to and from Library computers)

**Planning to purchase materials from the Supply Store for your workshop?** Keep in mind that the Supply Store carries a limited selection and cannot guarantee that all materials listed by your instructor will be in stock. Please call **865-436-5860 Ext. 25** or email Celeste Rudd at **crudd@arrowmont.org** to reserve your selection prior to arrival.

## MATERIALS FEES | **\$80.00-\$140.00**

Fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class, this keeps your out-of-pocket costs lower than a typical flat fee. Fees include all provided studio materials as assigned by the Instructor. Material fees are to be paid in the Supply Store no later than midday on the last day of workshop instruction.

**Please be advised that the above course description and materials list has been written and approved by the instructor.**
