

ARROWMONT

SCHOOL OF ARTS AND CRAFTS

Medium: Ceramics

Instructor: Po Wen Liu

Dates: June 22-27, 2025

COURSE DESCRIPTION

This workshop will focus on creating a wheel thrown teapot and pour-over coffee dripper with some add-on handbuilt elements. Students will learn different methods of making spouts for tea pots that serves both form and function. Two types of pour-over coffee drippers will be covered in this workshop as well. Students will learn how to create texture on coffee dripper to promote airflow for brewing a smooth cup of coffee. Through this workshop, Po Wen will share his knowledge and experience in both tea and coffee, and their serving utensils.

WHAT TO BRING

- Basic Pottery Tool Kit (needle tool, wooden knife, wooden rib, cutting wire, basic trimming tools, sponge, fettling knife, metal rib)
- Regular Serrated Rib (metal) or a small piece of band saw blades (5" - 6" long)
- Caliper (small or medium)
- Exacto Knife (small)
- Shammy (a small 1" x 7" strip is sufficient)
- Flash drive (to protect and save data to and from Library computers)

Planning to purchase materials from the Supply Store for your workshop? Keep in mind that the Supply Store carries a limited selection and cannot guarantee that all materials listed by your instructor will be in stock. Please call **865-436-5860 Ext. 25** or email Celeste Rudd at **crudd@arrowmont.org** to reserve your selection prior to arrival.

MATERIALS FEES | **\$90.00-\$115.00**

Fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class, this keeps your out-of-pocket costs lower than a typical flat fee. Fees include all provided studio materials as assigned by the Instructor. Material fees are to be paid in the Supply Store no later than midday on the last day of workshop instruction.

Please be advised that the above course description and materials list has been written and approved by the instructor.
