

ARROWMONT

SCHOOL OF ARTS AND CRAFTS

Medium: Woodworking

Instructor: Kate Cameron Davidson

Dates: September 27 – October 2, 2026

COURSE DESCRIPTION

This woodworking workshop is designed for students of every craft medium to get comfortable using wood shop tools and machines. Students will learn how to safely approach repairing, designing, and constructing the wooden elements needed for their own craft. The class will focus on tackling smaller-scale projects such as warping boards, lace bobbins, paper deckles, clay shaping tools, and hammer handles. Students will gain a variety of fundamental and safe woodworking skills that they can immediately take back to their home studios to support their future making. Absolute beginners and anyone with specific questions are welcome.

WHAT TO BRING

- Any material or component that is integral to the type of tool or accessory they want to make (i.e. if they want to make a handle for a hammer head they have, please bring the hammer head).
- Sketchbook
- Water bottle
- Closed toed shoes

MATERIALS FEES | **\$80.00-\$120.00**

Fees are assessed on an individual class basis and may vary from class to class depending on the amount of materials used and the number of students in the class, this keeps your out-of-pocket costs lower than a typical flat fee. Fees include all provided studio materials as assigned by the Instructor. Material fees are to be paid in the Supply Store no later than midday on the last day of workshop instruction.

Please be advised that the above course description and materials list has been written and approved by the instructor.
