COURSE DESCRIPTION

Forget everything you thought you knew about quilt-making in this improvisational workshop! In this workshop, students will respond to surprise prompts delivered throughout the week, incorporating each creative challenge into their evolving piece. This approach prioritizes play over precision, encouraging the discovery of unexpected possibilities with fabric, color, and texture. Perfect for quilters seeking a more exploratory approach as well as brand-new quilters. Students will complete a quilt by week's end that is unmistakably unique, impossible to replicate, and born from their creative responses to each twist.
